

## Summary of Teach in Shanghai

Shanghai has always been considered the first choice for expatriates teaching and working in China. An exciting city it is, rooted in its own unique culture that blends East and West. Shanghai combines modern and historical features: a cutting edge city always pursuing the best and the newest. It is the engine of China's future: the economic hub of China, the metropolis of the international economy, finance, trade, shipping, technology innovation, and culture. It is a booming city worthing exploring!

Shanghai is also an ideal location for teaching. With a wave of global talent that lives in this city, there are many top schools accordingly, all of which are worthy of the highest honors in educational accreditation circles.
