

Summary of Teach in Chengdu

Chengdu is the capital city of Sichuan province. Geographically, Chengdu is in the center of China, far away from any ocean or border with any country. It is this distance from ports or different nations and cultures that has allowed Chengdu to develop traditions and customs that have stayed consistent for thousands of years.

Chengdu is located within the Sichuan Basin. Chengdu sits atop a plain, surrounded by mountains. While this has led to Chengdu's flourishing of culture and civilization, it traps in cloudy weather and pollution that take away from an otherwise vibrant city history and lifestyle.
