

Summary of Teach in Harbin

Harbin, pronounced as [hahr-bin], is known as the **Ice City** and is also the capital of Heilongjiang Province. Harbin has a long history. As early as 22,000 years ago, in the late Paleolithic period, there were already human activities there. Harbin entered the Bronze Age and is the earliest ancient civilized country in Heilongjiang.

Harbin was born because Russia chose the location as the hub of the middle east railway. In the early days of Harbin, the number of foreigners was more than Chinese. Most of them were Russians (many were dissenters of the 1917 revolution) and Jews. Besides, more than 10 countries chose it to set their consulates (Today Harbin has none for now). They left many Russian style buildings in the city and some of them today have become the city's symbol, such as Saint Sophia Cathedral.
